Subject and speaker.	Summary of discussion.	Reply of Govt.
Subject No. 500 Penjahalli anicut. Mr. Venkata Nagappa of Heggaddevankote Taluk.	The proposal made last year regarding the restoration of the Penjahalli anicut and channel as a means of water-supply to the Heggaddevankote town was not viewed with favor on the ground that the water of the Tharaka river was not wholesome. This, it is submitted, is not the case. The water of Tharaka is healthy and the project deserves consideration.	
Subject No. 501 Bidarhalli anicut. Mr. Venkata Nagappa of Heggaddevankote Taluk.	The construction of an anicut across the Kapila river near Bidarhalli or Mastigudi is a project deserving of early investigation.	
Subject No. 502 Construction of a bridge across the Bhrigu river. Mr. Venkata Nagappa of Heggaddevankote Taluk.	The early construction of a bridge across the Bhrigu river may be ordered.	
Subject No. 503 Further improvement to the Vijayapur Tank. Mr. Kotekere Bhujangaiya of Gundlupet Taluk.	The lands situated below the Vijayapur tank have been assessed at wet rates in consideration of the improvements effected to the tank by the Public Works Department. Some of the lands however do not command a sufficient supply of water and the holders thereof have for some time past been praying for the commutation of wet assessment into dry. Their request may either receive favorable consideration or the capacity of the tank may be increased by raising its bund and kodi.	Referred to the D. P. W.
Subject No. 504 Repairs of certain tanks. Mr. Kotekere Bhujangaiya of Gundlupet Taluk.	There are five big tanks in this Taluk which, as already represented, stand in need of repair. The repairs of one of them, *viz.*, Kempasagara, have since been sanctioned by Government. The early execution of repairs to the Nallur Amanikere may also be put in hand soon.	
Subject No. 505 Mulehole Old Channel. Mr. Kotekere Bhujangaiya of Gundlupet Taluk.	An old nala or channel is drawn from Mulehole 20 miles to the west of Gundlupet. If this be extended and joined on to Gangadarahalla close by, and then taken on to the Kempasagara tank now under repair and thence to Kutnur and Vijayapur tanks, an area of nearly 950 acres of land under
